May I squeeze on them shoes?  
Sing you maybe some blues?

Your leopard skin and chain tote  
Has got me so aroused

Did I tell you I'm in a band  
And I can do handstands too  
I got this burning desire  
To don that darling attire

**[ D G A G ]**

How that elastic snaps  
Against my kneecaps

I wanna wiggle into  
Your powdered rubber skin...ooh  
Baby, you got the clothes  
You got romance  
You got the boots  
So, I just gotta ask  
Can I get in your pants?  
Can I get in your pants?  
I wanna get in your pants  
I wanna get in your pants
